

REMARKS

Claims 1-62 are pending in the application. Claims 19, 42, and 60 have been amended to correct inadvertent typographical errors. Claims 63-89 have been added. Support for the new claims can be found in the specification, drawings and claims as originally filed.

If there are any additional charges with respect to this amendment, please charge them to Deposit Account No. 06-1130 maintained by Applicants' Attorneys.

Respectfully submitted,

FITTS ET AL.

A marked up version of Claims 19, 42, and 60 follows:

19. The apparatus of Claim 17, wherein the conductive composite comprises
conductive filler and all or part of the conductive filler is in the form of fibers, platelets,
or a combination of fibers and platelets.

42. The component of Claim 40, wherein the conductive composite comprises
conductive filler and all or part of the conductive filler is in the form of fibers, platelets,
or a combination of fibers and platelets.

60. The ~~apparatus component~~ of Claim 45, wherein the conductive polymeric
composite comprises epoxidized phenol novolac resin, epoxidized cresol novolac resin,
poly(diallyl phthalate), and combinations comprising at least one of the foregoing resins.
